JING TEA

Simple pleasure that depends on people and nature working Together in harmony. From garden to cup, it's about amazing tea leaves, lovingly produced in unique environments; keeps those leaves at peak freshness; and fully appreciate the character and natural purity of their tea.

ENGLISH BREAKFAST TEA

26

The ultimate single origin English breakfast tea in whole leaf. Expertly blended from selected garden in Assam India, for a satisfying, robust tea with honeyed malt richness.

EARL GREY

26

An invigorating black tea lifted by fresh and exuberant citrus. For supreme texture and flavour, a touch of natural bergamot extract tempers the tea's inherent richness.

PU ERH

26

Majestic and complex with a hint of fragrant incense wood, dried plum and a chocolatey aftertaste. With a full-bodied, captivating flavour, this fermented tea has similar character to traditionally aged pu erh.

OOLONG TEA

26

A master hand-rolled oolong tea. The leave unfurl upon infusion to render a full-bodied sweetness combined with sumptuous notes of fresh meadow grass linseed and golden syrup.

JADE SWORD GREEN TEA

26

Bursting with sweet spring flavours and selected for its succulent fresh taste, this is our introduction to exceptional green tea. A refreshing infusion with sappy top notes.

JASMINE NEEDLE

26

Young spring picked buds of green tea, naturally scented with fresh jasmine flowers over five whole nights. The result is a soft, vivid infusion with sublimely enchanting aroma of sweet, fragrant jasmine.

PEPPERMINT

26

Deep green, whole-dried peppermint leaves offer an intensely refreshing infusion that exudes an engaging and cleansing menthol aroma, with an invigorating, cooling finish.

PURE CHAMOMILE

26

Soothing late-summer chamomile blooms with mellow, straw-like complexes. We select only the brightest whole flowers that have been dried slowly to retain their essential oils delicate flavours and floral aromas.

LEMONGRASS & GINGER

26

Comprising two simple, natural ingredient-intensely fresh lemongrass and satisfying warm ginger, this herbal infusion is bright zesty and invigorating.

BLACKCURRANT & HIBISCUS

26

A quenching, vivacious blend of juicy blackcurrant and dried roselle hibiscus, eliciting a balanced infusion which naturally bursts with bold flavour and gentle tartness.

WHOLE ROSE BUDS

26

Organic rose tea is grown in Iran. The delicate buds are picked in the morning, out of the direct sunlight and during a low breeze. This locks in their beautiful fragrance before they are slow-dried to retain their sweet floral flavour.
