

ESSENCE OF HONG KONG

TRADITIONAL CHINESE THERAPY

2 hours 30 minutes

The philosophy of Traditional Chinese Medicine is to bring the body into balance and promote the optimal flow of Qi for natural healing. Guided deep breathing techniques, a melodic and soothing Singing Bowl ceremony along with crystal healing commence this treatment, whilst relaxing on a warm volcanic stone bed. These elements are combined to balance the Chakras and restore equilibrium within the body and mind. A dry Chinese meridian massage, along with the time-honoured use of Chinese Rose Quartz Face Gua Sha, complete this beautiful experience.

IMPERIAL JADE

A full body massage incorporating this prized gemstone is followed by a cooling facial, utilising Jade rollers to stimulate blood circulation, brighten the complexion, promote good health and a long life.
