

WHEN NIGHT FALLS, JAZZ TAKES OVER

INTRODUCING FAITH AMOUR AT THE BAMBOO BAR

The Bamboo Bar welcomes **Faith Amour**, an award-winning jazz vocalist and composer whose velvety voice carries warmth and quiet soul. From New York City to Blue Note Beijing, her music has travelled across stages shaped by swing, jazz and global rhythms. Singing in seven languages, Faith's performances are intimate and unhurried. Rooted in tradition yet unmistakably her own, she honours the great voices of jazz. As night unfolds, her music simply takes over.
