## WHITE TEA 白茶

### Jasmine Silver Needle – 茉莉银针

390

*A whisper of spring in every cup.*

Harvested in April 2025 from tender silver buds, this rare white tea is layered with fresh jasmine blossoms through a meticulous, traditional scenting process. Each evening, the petals release their perfume into the down-covered buds, creating an infusion that is sweet, silky, and creamy, with gentle notes of sugarcane and spring flowers. Soft, elegant, and deeply fragrant, it is the purest expression of jasmine white tea.

### Roasted In Bamboo 2024 – 竹焙白茶

490

*Ancient trees, living bamboo, and the aroma of the mountains.*

Crafted from shade-dried Assamica leaves harvested in April 2024, this rare white tea is sealed inside breathable sections of bamboo and roasted slowly over charcoal. As it rests, the bamboo imparts a mellow sweetness and a warm, fruity aroma. Made with first-flush leaves from 100 to 300-year-old ancient tea trees of Da Qing Village, Jinggu County, the tea unfurls into a creamy, rounded cup with layers of tropical fruit, soft wood, and gentle roast, a graceful meeting of heritage and craftsmanship.

## GREEN TEA 绿茶

### Mountain Verdant Whisper – 高山绿茶

390

*A taste of Yunnan's early spring mist.*

Picked in early March from the high mountains of Simao, this bold green tea brings together the finesse of small-leaf processing with the depth of Yunnan's large-leaf Assamica buds. Its aroma is fresh, grassy, vegetal, and lightly savory. When brewed in glass, the leaves dance in the water, revealing a bright jade liquor with pronounced umami, firm tannins, and a long, refreshing finish reminiscent of young bamboo and spring vegetables.
