

## DEAR GUESTS

There are places that leave an impression before one fully understands why. Le Normandie is one of them.

I first encountered this emblem of gastronomy several years ago, as a guest chef. The view, the light, the delicate breath of its history etched themselves deeply within me.

Within this space, French culinary heritage harmonizes with the vibrant energy of Thai culture.

Two traditions, two sensibilities — not merging but listening and responding in a graceful dialogue.

Through the menu I have envisioned, each plate becomes a point of encounter, a silent conversation. Ingredients whisper their stories, techniques are reborn, and emotion guides every gesture. This is the essence of my philosophy: Suffusion.

My heritage — forged over three generations of Michelin-starred chefs — deeply resonates with this gastronomic institution, itself built on decades of culinary excellence.

**Le Normandie** transcends the notion of restaurant; it is a sanctuary of transmission and renewal, a realm where tradition breathes and evolves ceaselessly.

Thank you for becoming part of this unfolding story.

I wish you a beautiful tasting experience.

Anne-Sophie Pic
