

AGAVE TALES UNDER AN ARABIAN NIGHT

An enchanted evening in Marrakech, where every sip tells the story of Jalisco's agave spirit through the legends of the Arabian Nights.

The Don Julio Hacienda is a living expression of agave, evolving with every place it calls home. From the highlands of Jalisco to the gardens of Marrakech, this second chapter celebrates the meeting of craft and culture, a dialogue between heritage and seasonality.

The menu stays true to its roots, with signature serves from the first chapter that define its identity. Alongside them, new creations emerge, inspired by the local landscape, made for the present moment.

A balance of continuity and change:
the Hacienda's heritage, and its evolution.
