ESMERALDA'S

Esmeralda's is a hidden late-night lounge within Mandarin Oriental Mayfair, where live music and indulgence set the tone. Inspired by the golden age of New York's live lounge. The resident band is the defining soul of Esmeralda's. A curated experience that sets the room aglow with an elegant and modern energy. Our signature band blends soul, funk and disco into a contemporary performance that re-imagines the classic live music lounge. Each set feels intimate yet electric, a feeling which defines the bar itself.

Nestled on the lower ground floor of the Mandarin Oriental Mayfair. Esmeralda's is a single, self-contained bar room designed as an intimate world of its own. The space offers a deeply atmospheric setting, crafted for both seated gatherings and late-night energy. Wrapped in velvet drapery, illuminated by golden, low-lit ambience, and framed by Esmeralda's iconic sculptural ringed walls, the room exudes a plush, seductive sophistication. Rich textures, curved seating, and intimate table arrangements create a space that feels both luxurious and inviting, tailored for live music, conversation, and the unexpected.
