THE STORY BEGINS

In 2020, the aroma of freshly baked goods wafted through the bustling corridors of the Christmas Market at Landmark. Here, LMO Freshly Baked by Richard Ekkebus made its debut, the pop-up stall became a beacon of warmth and indulgence during the holiday season, offering a taste of something truly special.

As 2021 rolled in, the journey of LMO Freshly Baked evolved into LMO Freshly Baked by Richard Ekkebus 2.0, where many and many pastries were created, delighting customers with innovative flavors and textures. In 2023, LMO Freshly Baked by Richard Ekkebus launched another special edition, showcasing a series of authentic Spanish Basque Burnt Cheesecakes curated by Chef Richard Ekkebus and Chef Carles Codina, our hotel's Executive Pastry Chef, that captivated dessert enthusiasts and became a classic.

In 2024, we introduced the revolutionary vegan croissants that surprised many, crafting a delightful butter-free pastry. The culmination of this sweet journey arrived in November 2024, when the long-awaited BASEHALL shop opened its doors, inviting everyone to experience the magic of freshly baked pastries and grab-and-good goodies, then further opening another branch in LANDMARK Atrium in March 2025 to buzz the central crowds with excitements.

SWEET & SAVOURY EDITION

Tailored for the office crowds in the hub of Central, Chef Richard Ekkebus presents an irresistible array of hot pies and salads at the “Sweet and Savoury Edition” store for the very first time.

The gourmet pies and salads took the centre stage of the BASEHALL branch, starring the Thai Chicken Green Curry Pie which marries the British classic flavours with an Asian twist. Other innovative fillings including Pork Char-Siu & Shiitake Pie, Grain Fed O'Connor Beef Bourguignon Pie and many more classic flavours.

The hearty menu also ranges from a selection of fresh salad, gourmet sandwiches and yogurt bowls, encompassing the Crunchy Vegetable Salad with Roasted Pumpkin Seed Dressing, refreshing Spicy Tomato & Compressed Watermelon Salad, or vegetarian-friendly Bulgur & Plant-based Protein Salad, and many more.
