Ode to the Ocean

Le Sept is a tribute to the art of seafood. Under the direction of Executive Chef Thomas Seifried, modern French techniques are combined with Austrian roots and subtle Asian influences.

Seasonal ingredients, clear flavors, and light, expressive dishes take center stage. Each creation is defined by precision, creativity, and respect for the natural qualities of the ingredients.

After many years in the Cayman Islands, Seifried brings his international fine-dining experience to Vienna, enriching the cuisine at Le Sept with fresh ideas and modern interpretations of classic dishes.

Le Sept offers a culinary experience in a relaxed, elegant atmosphere – a journey through flavors, cultures, and memorable moments. Each course is presented together, creating a convivial and engaging evening where gastronomy and connection come together in perfect harmony.
