

酒梦印记 海南之旅

SAKE DREAMS: A JOURNEY THROUGH HAINAN

南海潮生处，有岛如碧。
浪卷珊瑚色，醉看日落圆。
千年渔火映照黎寨歌谣，
东坡笠影藏进椰林晚风。

Where South China Sea tides arise, An emerald isle like jade lies.
Waves roll with coral-hued sprays, Intoxicated by sunset's full gaze.
Millennial fishing lights illuminate Li village ballads,
Dongpo's straw-hat silhouette fades into coconut groves' evening ballads.

我们以酒为舟，载您溯游时光。
With some cocktails as our vessel, we sail upstream through time.
