★ Where Style Meets Generosity: Ralph Lauren’s Wishing Tree Returns

Each festive season, we love guiding guests to Ralph Lauren’s Wishing Tree on Bond Street.

This charming tradition, also known as the Giving Tree, is a highlight of Mayfair’s holiday calendar. We recommend taking a moment to make a donation or pick a bespoke ornament – all proceeds go to the Royal Marsden Cancer Charity, supporting vital research and life-saving treatment.

Diptyque's Marvellous Gifting Atelier

To celebrate the festive season, from 21 October to 13 January, Maison Diptyque on 107 New Bond Street transforms its Ephemeral Space into a Gifting Atelier. Inspired by a Diptyque winter tale, the atelier offers treasures adorned with golden details and personalized touches—Ex-Libris stamps, wax seals, and tissue papers—to make every gift unforgettable. Visitors can also discover hidden surprises, including a lucky draw to win fragrances, creams, and candles.
