## ESSENCE OF SHANGHAI

### Dragon Phoenix - for two

2 hours

**Weekday**

**3,380**

**Weekend**

**3,480**

The mythical Dragon and Phoenix often characterize the Emperor and Empress representing the power of cosmic energy and peace together with the colors of red and gold. When paired, this motif is associated with harmonious marital bliss, embodying a union of prosperity and love, a match blessed with incredible luck and wealth. Our heavenly treatment begins with a welcoming foot ritual and bath filled with the enchanting aroma of golden Osmanthus and red Shan Zha. This is followed by a Gua Sha inspired massage using a specifically designed carnelian tool which will be used to dispel damp wind from the body and enhance the body's natural healing ability.

### Butterfly's Dream

2 hours

**Weekday**

**2,100**

**Weekend**

**2,200**

"Am I a Man", he thought, "who dreamed that I was a butterfly? Or am I butterfly, dreaming that I am a man? Perhaps my whole walking life is but a moment in a butterfly's dream! This is a story of transformation" Chuang Tzu Your transformation will begin immersed in a deep bath infused with natural healing herbs of Rose and Jasmine, followed by envelopment in an elixir of moxibustion ensues. Complete your metamorphosis with pressure point touch therapy on the specific relax zone of the ears, scalp and hands, to release blockage and promote the natural healing ability of the body.

### Silk Road

3 hours

**Weekday**

**2,620**

**Weekend**

**2,720**

This luxuriant treatment begins with our welcoming foot ritual, followed by an exfoliating body mask with ground lotus seeds, pepper and Chinese dates, once traded along the Silk Road. While enveloped in a silk cocoon, the body's own heat activates the therapeutic benefits of the mask, helping to strengthen and fortify the body's circulation system, and a hydrating facial cleanse leaves skin glowing. The experience continues with your body immersed in rose and jasmine while at the same time enjoying soothing bamboo and buckwheat tea, to take the healing properties of these age-old remedies to the interior of the body. An individually tailored massage follows continuing your desire of detoxification, relaxation or rejuvenation.

## DOSE INFRARED SPA

Dose infrared SPA is a multifunctional home SPA device that utilizes PUREINFRA® (low-temperature, non-magnetic pure infrared) technology as its core. With multiple registered patents worldwide and over 50 years of application in medical-grade infant incubators, dose infrared SPA gently and evenly releases low-temperature, non-magnetic pure infrared energy upon activation. This energy penetrates the subcutaneous layer, allowing the body's cells to fully absorb it, providing a comfortable experience akin to basking in the morning sunlight at 7 o'clock, reminiscent of a baby returning to its mother's embrace.

### Dose Infrared SPA

30 minutes

**Weekday**

**880**

**Weekend**

**980**

Dose infrared SPA is internationally recognized in the medical field for its ability to directly elevate core body temperature without magnetic radiation and without burning the skin. The increase in core body temperature activates HSP90 (heat shock protein) within the body, which has the effect of stimulating the body's own immune system.

### Dose & Chakra

2 hours

**Weekday**

**3,880**

**Weekend**

**3,980**

Dose infrared SPA is evenly emitted, similar to the gentle sunlight around 8 or 9 in the morning. It replenishes natural energy to our body, helps combat free radicals, and prevents oxidation. Through its mild temperature, it harmonizes the balance of the body's five organs, enhances the body's vitality, eliminates dampness and coldness, and improves sub-healthy conditions and fatigue. Combine with Chakra Activation, it releases negative energy from the body, promotes deep detoxification and balance, enhances blood circulation and overall energy, achieving a state of mind and body harmony.

### Dose Sound Healing

1 hour

**Weekday**

**1,680**

**Weekend**

**1,780**

During the process of sweating, dose infrared SPA helps eliminate accumulated toxins and promote the clearance of blockages, thereby reducing overall fatigue, muscle soreness, and edema. Dose infrared SPA improves blood circulation, which can contribute to better deep sleep and improved sleep quality. Combining with sound healing can deeply affect various levels of the human body, effectively purifying the body and mind.

### Dose Personal Coach

1 hour

**Weekday**

**1,380**

**Weekend**

**1,480**

Dose infrared SPA can directly reach the subcutaneous adipose cells in the human body, fully activating and dissociating these fat cells. Additionally, as our body temperature rises, our heart rate reaches the optimal fat-burning range. The basal metabolic rate can increase by 1.5 times during this process, which is equivalent to a prolonged aerobic exercise session, resulting in the potential consumption of approximately 600-800 calories. It can help us burn calories, increase basal metabolic rate, reduce body fat percentage and visceral fat, slimming and elimination of edema.

### Dose Tea Meditation
